

## **Guidelines for IGNOU Community Colleges**

### **Introduction**

Community Colleges are an alternative system of education which aims to empower individuals through appropriate skill development leading to gainful employment in collaboration with the local industry and the community. It helps in developing skills for employment and self employability particularly to the marginalised and underprivileged sections of society. Community colleges offer the advantage of tailoring programs to local needs and state-based requirements by using approaches that will be most acceptable to workers in the given community.

Community Colleges generally have a 2-year curriculum that either leads to an Associate degree for transfer to an undergraduate college or lead to the students' direct entry into any occupation or trade. These colleges are a source of economic growth because they provide an educated and skilled workforce that improves the quality of life for individual students, communities, and the nation.

### **Eligibility**

An institution applying to IGNOU for registration as a Community College should be run by an educational agency/registered society/Trust or corporate body rooted in community-based activities. They must be credible institutions with a minimum period of five years of proven service and be located in the community it seeks to serve.

While submitting the "expression of interest", the applicant (educational agency/registered society/Trust or corporate body) will specify the Programme Sectors and levels (Certificate/Diploma/Associate Degree), it wishes to offer through the Community College. The detailed programme content and Certificate/Diploma Programmes of IGNOU which the institution wishes to use should be clearly mentioned.

## Registration

On receiving the application, IGNOU will scrutinise its feasibility and constitute an expert committee to visit the institution for interaction with the faculty and verification of facilities. Based on the recommendations of the expert committee the applicant will be informed of its eligibility.

In order to institutionalise the procedure and register with IGNOU, the applicant will enter into an Agreement which ensures the following:

- The institution will be named as  
“.....X..... Community College”.  
(Registered for Associate Degree of IGNOU)
- The College will submit a draft brochure indicating the programmes it wishes to offer, salient features, fee structure, members of the committees and any other highlights to the Community College Board for approval. No Community College will be affiliated to IGNOU.
- Fees for the programmes will be decided through mutual consultation by IGNOU and the College.
- The College will submit to IGNOU the names and details of the Community College Board, Academic Committee and Examination Committee.
- All programmes on offer by the Community College will have enrolments twice a year i.e. July and January.
- A registration fee of Rs. 250/- for Certificate; Rs. 500/- for Diploma and Rs. 750/- for Associate Degree per student will be payable to IGNOU.
- Examination fee as applicable to IGNOU students will need to be remitted along with the examination forms.
- The course materials available with IGNOU for the Certificate, Diploma Programmes and the materials which may be developed by IGNOU for Associate Degree Programme may be purchased, if required by the Community Colleges.
- Evaluation and Certification will be the responsibility of IGNOU.

## **Need Analysis**

Prior to launching programmes the agency should have done a need analysis of the local job requirements and opportunities and incorporate these findings into the curriculum. It should have active linkages with rural, agricultural, industrial and commercial organizations of the locality for empanelling part-time instructors providing on the job training to students and provide job placement to successful students.

## **Organizational Structure**

The College will constitute the following bodies to facilitate smooth functioning of its academic and administrative activities:
